

You are invited to join Marty McFly and Doc on a journey back through time to visit friends and family at the 1993 version of the 4th of July at the Briggs' House.

**JULY 2, 3, 4...**

This year is the 10th biannual celebration of the Fourth a la Briggs. In 1991 we started an archives and commemorative picture album. We need contributions, so the price of admission will be one photo from a past Fourth. For those of you who do not have a photo to contribute (for one reason or another), compose one! Any Past Fourth Photo can get you in the gate, which by the way, will be manned by Auntie Marge in the Hospitality Tent and Gift Shop (wheel chairs and strollers available) all novelties reasonably priced and free hygiene kits for all campers (this is a recession and we have to pay for the mass quantities we're planning to consume somehow).

The living agenda will be revised and revived.

The untalent show is now, not being rehearsed.

A Mexican Divorce is planned for the couples married by Reverend Jullio in 1991.

Live music provided by The Lithuanian Buffet Band and Buster the Famous Country Western Star.
