Woodstock celebrates 30 years can't hold a candle to the Briggs Every other Fourth

By Rudy

NEW YORK -- Even without Jimi Hendrix, or Billy Preston the Fourth of July Party held Bi-annually (not bisexually) at the home of Bill, Joan, Nick and Erin Briggs (not to mention Mocho, Marly, Spook and Moo-moo) continues to exceed the legendary Woodstock Festival in all aspects, including length of

PECWAN -- Home Movies of previous lingerie contests have been banned by Fredericks of Hollywood. The Bill Clinton Committee for truth denies any knowledge of the meaning of the word lingerie. Fredericks is apparently unhappy with the use of its products in an "unbelievable display of ugliness" according to their spokesman.

Ken Starr disagreed with everyone, implying that the only reason the he isn't moving towards impeachment is a "doctored" photo of himself and the Reverend Julio in tutus. "I have never seen such a blatant attempt to

Bigfoot museum opens to rave reviews

Architectural Digest made a special trip to Willow Creek to participate in the grand opening of the museum and dedication of the twenty foot high Neon image of the Bigfoot legend that will greet travelers with its waving neon hand as they pass logging trucks and campers at 45 mph thru the middle of town. "Until Cal Trans drops the speed limit, we thought this might get people to slow down and buy something to drink" the president of Willow Creeks Chamber of Commerce was quoted as saying. "We do have excellent health care facilities if they slow down too fast", he added. Live video at 11. ω

EDITORIAL

Everybody loves a shower, especially with a friend for conversation. At this event we must be particularly diligent to ensure paired showers in the name of water conservation. You can also bathe in the River or outdoor shower. Or wear a lot of perfume.

Everybody loves the sound of a toilet flush. It is a memory you will have to leave at home for now. The rule of thumb is use the Andy Gump/Porta Potty, please. The National Forest is open for the revived free style peeing competition. Winner to be announced by the W/Rec director. For toilet paper s coupons and classified.

Letters to the Editor:

Dear Editor, I have been attending these functions for over ten years and each time I am appalled.

Prudence

Dear Prudence, What are you thinking? Write a letter to Bob, the Toe-man and he'll set you on the road to deliverance. See Page 3.

Dear Editor, I am an underemployed water-carrier who can't remember looking for a good time unless it has to do with work. How will I get by at the 4th?

Wet Dog

Dear Wet Dog, You are a lucky man. Last 4th just thinking about w--- would earn you a penalty shot. However, this year you need a coupon to taste the tequila. See the boutique or buy a friend to take your shots.

SPECIAL EVENTS

“All Kinds of Beans” Cookoff

Bring your favorite Bean Recipe for group tasting and consumption and sign up to participate in the Farting contest

Farting contestants will be limited to one bean dish. Farting Judges will be allowed to taste test all bean dishes; Judges must identify the recipe and bean of origin when judging an entered fart. Other significant qualities judges will be looking for are tone, duration and permeability.

golf chip-o-rama and croquet

Bring (or borrow) a chipping wedge and a distinctly marked ball and join us under the apple trees for a chip around the orchard. The challenge is to avoid the croquet players who often talk loudly and swing mallets over their heads in wild abandon while arguing about the rules of the game. There are no rules for chipping, so the only requirement is to argue about the score.

Okie Busquit and Gravy Cook-off

So far we have two contestants signed up to participate in this popular event. However, one of them failed to wake up and cook last time. This year's sign up sheets will be posted at the cook shed and all participants will be notified of start times. It is recommended that all sign-up-ees pace themselves the night before or may be found in a compromising position when receiving notification.

3rd Bi-anal Golf Tourney- **Returning Fags Defend Bigfoot 4th Title** -- The undefeated, untied and useless foursome of Rod, Johnnie, Larry and Carol (now with a new caddie, see Birth Announcements on Page 5) will try drive their way to a defense of their 1997 triumph. The rest of this year's golfers will be paired in foursomes specifically tailored to KTBs.

mexican feast

All attendees from or passing thru Southern California will be required to bring avocados that will be properly ripe on the day of this event. We know who you are and punishment and or fines will be severe if you fail this assignment. All forms of bribery are accepted.

Sinker & Plunker Breakfast

For the rookies and uninitiated attendees...The sinker and plunker breakfast is one of the longest standing (and sometimes enduring) of the 4th events. Sinker refers to the sound that the dense pancake makes as it enters the stomach and plunker is the sound emitted at final exit into the bowl (sometimes up to 2 days later)
